SUMMARY

Law office building in the Health & Civic Center. Property sits behind the massive job generators of Jackson Hospital, affiliated hospitals, and courts, which means a strong and stable local tenant base. With immediate access to the 836 HWY and I-95 is this mixed-use high density site with development potential. Underlying zoning is T6-8-O, in the heart of a transit corridor with parking reduction benefits available paving the way for high-density development.
