SUMMARY

Native Realty is proud to present one of the last large land assemblages available in Flagler Village. Located in Downtown Fort Lauderdale, Flagler Village has experienced explosive growth in recent years, and is frequently compared to Broward County's version of Wynwood. The neighborhood features close proximity to Las Olas Blvd, Downtown Fort Lauderdale's central business district, and Broward County's only Brightline train station. The assemblage features an efficient developable foot print, consisting of 0.88 acres and is located in the Regional Activity Center Urban Village Zoning (RAC-UV). The zoning is liberal, and allows a wide variety of development up to 150 feet.
